      <p>My name is Hafsa Khanom Taposee.I am a student of CST department in Rajshahi Mohila
Polytechnic Institute.My father name is Md Shahjalal Billah.My father is like a friend to me. He loves me at all
times. He teaches me all the values and morals I must live by. And he himself lives by all the values. He
believes in practicing what he preaches. So I find my father very honest. And he never finds it difficult to be
that way.My father is kind and generous. If anyone approaches him with a genuine need he helps them to
whatever extent he can. And he never grudges any help he offers. My father is time conscious and punctual.
He is strict with me because he wants me to be disciplined. Being disciplined is tough, but I know it is for my
good. And so I always try my best to follow what my father tells me to do. Whenever I am in a difficulty my
father helps me out with love and affection.</p>
